

The Professional models are the best choice when the maximum capacity and stability are required. Manufactured with the greatest care and high quality materials, these models are greatly appreciated for their sturdiness that is assured by their frames entirely made of steel and the bigger wheels.

Art. 320

Professional hose reel cart; the strong frame has two drum supports to guarantee the maximum sturdiness. Frame made of steel, reel made of galvanized steel; coated with no-toxic polyester powder.

Equipped with:

- Two connections for 3/4" hose, one pivoting made of solid brass, included
- Crank made of steel and polypropylene coated
- Sturdy wheels solid rubber coated.

Hose, fittings and sprayer not included.
