

Hose reels

Medium pressure hose reels

info@agrati.net - <http://www.agrati.net>

Art. 7255

A special hose reel steel made and coated with non-toxic polyester powder, with two independent reels to hold two 8 mm internal diameter hose rolls (100 m each roll).

Thanks to the two independent reels, two operators can work side by side at the same time; the two valve taps allow each user to adjust the water flow according to his exact need.

The frame has four holes for cart mounting.

Equipped with:

- 2 strong cranks with steel core: they can be removed from the drum after use, to reduce the volume of this hose reel
- Three hose connectors made of brass: a garden hose quick release adaptor inlet + two 8 mm hose barbs outlet

Hose not included.
