

Hose reels

Painted Line

info@agrati.net - <http://www.agrati.net>

These hose reel carts are recommended for areas of small and medium dimensions; steel made and coated with non-toxic polyester powder.

The portable hose reel is equipped with a special bracket for hanging it on the wall.

Art. 127

Swinging hose reel for wall mounting, a sturdy model equipped with frame and reel made of steel coated with a special no-toxic polyester powder.

A special bracket made of steel for wall mounting allows the rotation of the hose reel; it can be easily removed from the wall bracket for a safer storage after use.

Equipped with:

- Hose connections made of solid brass: 1x plug-in (ext.)+1x 12 mm dia. connection (int.)
- Fitted with a special device to stop the frame rotation in the most convenient position for the user
- Strong crank steel made and pp coated: the crank can be easily removed from the reel so that the hose reel can turn 180°
- Four screws and dowels included
