Hose reels

Professional Line

info@agrati.net - http://www.agrati.net

The Professional models are the best choice when the maximum capacity and stability are required. Manufactured with the greatest care and high quality materials, these models are greatly appreciated for their sturdiness that is assured by their frames entirely made of steel and the bigger wheels.

Art. 414

Larger free standing hose reel, made of steel pipe and coated with a no-toxic polyester powder.
Sturdy frame with two supports, to guarantee the maximum stability; recommended also for technical use and industrial applications.
Equipped with:

- A strong crank entirely mado of steel
- Two pivoting connections made of solid brass for 1" hose
