

Hose reels

Medium pressure hose reels

info@agrati.net - <http://www.agrati.net>

Art. 7253

A sturdier special hose reel equipped with fittings for small diameter hoses: this model is recommended for industrial and specialized uses such as spraying, window cleaning etc.

The frame base is equipped with a support pipe with locking nut so that this hose reel can be installed on a pivot 27 mm dia. max; this characteristic allows the user to install this special hose reel on agricultural carts, spraying equipments etc.

Steel made and coated with no-toxic polyester powder.

- Equipped with a strong crank with steel core: it can be removed from the drum after use, to reduce the volume of this hose reel
- Equipped with two 8 mm hose barbs (inlet and outlet) made of brass
