

Hose reels

Medium pressure hose reels

info@agrati.net - <http://www.agrati.net>

Art. 7210

Special hose reel cart equipped with fittings for small diameter hoses: this model is recommended for industrial and technical uses such as spraying, window cleaning etc.

Equipped with wheels for an easier moving.

Frame made of galvanized steel, reel made of steel; coated with no-toxic polyester powder.

Equipped with:

- A strong crank with steel core: it can be removed for the drum after use, to reduce the volume of this hose reel
- Two hose connectors made of brass: a garden hose quick release adaptor inlet + a 8 mm hose barb outlet
- A sliding handle to adjust height
