

Hand tools that help you keep clean and tidy your garden.

Art. 2000E Magic Fly rake

Innovative rake for leaves collection, internationally patented; made of strong polypropylene material, with alloy made stick and a handy hook so that Magic Fly can be hung after use.

A special gear, manually operated, closes and opens the rake so that leaves/waste can be picked up without bending, easily and safely.

- Quick assembling without any tool
- A locking button keeps the rake closed to make easier the leaves removal
